# Autumn Burlap Wreath

Combine fall ribbons and floral embellishments to create a beautiful autumn wreath. This burlap wreath is sure to become a staple in your annual harvest decorations.

## Step-by-Step Instructions

### YOU WILL NEED

- 7 yd. of 2 ½" Offray Burlap, Wired Edge in Russet
- 8 yd. of 2 ½" Offray Solitude Ribbon, Wired Edge in Natural
- 14" Straw Wreath or Foam Wreath
- 4 Autumn Floral Picks
- Floral Tape
- Wire
- Wire Cutter
- Scissors

- STEP 1** Wrap the straw or foam wreath in 2 ½" Offray Burlap, Wired Edge in russet. Secure each end with glue.
- STEP 2** Take two floral picks, layer them together and wrap the end with floral tape. Leave approximately 3" of stem.
- STEP 3** Repeat Step 2 with the remaining floral picks.
- STEP 4** Place the floral picks end-to-end and wrap tightly with floral tape.
- STEP 5** Glue the combined floral picks to the bottom center of the burlap-covered wreath.
- STEP 6** Create a bow using 2 ½" Offray Solitude, Wired Edge ribbon.
- STEP 7** Using wire, secure the bow to the bottom center of the wreath, covering the exposed stems of the floral embellishments.
- STEP 8** Create a second bow using 2 ½" Offray Solitude, Wired Edge ribbon and attached to the top center of the wreath.
- STEP 9** Fluff bow loops and shape floral picks to your liking.
