Step-by-Step Instructions

YOU WILL NEED

- 100 yd. roll of Offray Wraphia, Pearlized White
- 100 yd. roll of Offray Wraphia, Pearlized Daffodil
- 100 yd. roll of Offray Wraphia, Pearlized Orange
- 12 ft. of Offray Chantal, Wired Edge Ribbon in Black
- 3 Styrofoam Cones – 9", 12" and 18"
- 3 Straight Pins
- Pipe Cleaner
- Glue Gun and Glue
- Scissors
- Ruler

- STEP 1** Beginning at the bottom of the cone, dot glue all around the cone.
- STEP 2** Wrap Pearlized Orange Wraphia tightly around the base of the cone, stopping 1/3 of the way up. Secure with a dot of glue.
- STEP 3** Wrap Pearlized Daffodil Wraphia around the center of the cone, starting where the orange ends and stopping when only the top 1/3 of the cone is covered. Secure with a dot of glue.
- STEP 4** Wrap Pearlized White Wraphia around the top 1/3 of the cone. Secure with a dot of glue.
- STEP 5** Repeat for the remaining two Styrofoam cones.
- STEP 6** Cut the Chantal, Wired Edge Offray Ribbon in lengths appropriate to warp a collar around each of the three cones. Glue in place.
- STEP 7** Use additional Chantal, Wired Edge Offray Ribbon to make three bows. Secure bows to the front of each cone, over the collar, with a straight pin.
