The World's Most Beautiful Ribbons™

Halloween GeoMesh™ Lamp Bow

Create a Halloween GeoMesh™ Lamp Bow to dress up any outdoor light fixture this fall.

Step-by-Step Instructions

-
- STEP 1** Cut both the black and orange Offray GeoMesh™ into two 36-inch pieces.
- STEP 2** Beginning with the black, layer the Offray GeoMesh™ alternating between black and orange.
- STEP 3** At one end, begin pinching the middle of the Offray GeoMesh™ to create pleating.
- STEP 4** Secure with wire and fluff out each layer of Offray GeoMesh™.
- STEP 5** Use the purple Offray GeoMesh™ to create a loop bow with tails and attach it to the center of the larger black and orange bow. Secure with wire.
- STEP 6** Wrap wire ends around an outdoor lamp to secure your bow in place for the season.
