- ////////////////////
- STEP 1** To begin, cut a 1 inch piece of both the 7/8 inch wide hot pink and orange grosgrain ribbon. Next, cut a 3/8 inch piece of both the orange and maize grosgrain ribbon. Heat seal all the cut ribbon ends.
- STEP 2** Take the 1 inch piece of hot pink ribbon and starting at the center of the top, cut out a bite going slightly down one side. Repeat with the 1 inch piece of torrid orange ribbon.
- STEP 3** Glue the 3/8 inch piece of orange on to the bottom of the hot pink ice pop. Lay the 3/8 inch piece of maize ribbon in the center, overlapping the orange piece slightly, and glue.
- STEP 4** Cut two pieces of natural ribbon to 1 inch long. Trim one end of each piece to be rounded. Glue to the back of each ice pop to create the stick.
- STEP 5** To make the bows, use the hot pink and lemon satin ribbon. Cut a 10 inch piece of each color. Tie into a bow and trim the ends.
- STEP 6** Glue a rhinestone onto the center of each bow. Glue a bow onto the bottom of each ice pop.
- STEP 7** Cut a piece of black ribbon long enough to wrap the clip. Apply glue to one end of the ribbon and glue to the underneath of the top side of the clip (with the clip open). Close the clip and apply glue to the top white pulling the ribbon over the end and press it onto the top of the clip. Continue gluing the ribbon to the pinching end. Repeat with the second clip.

STEP 8 Glue the ice pop to the hair clip.
