

The World's Most Beautiful Ribbons™

How to Make an Infinity Fascinator

Create this pretty Infinity Fascinator in preparation for your Royal Wedding watch party!

Step-by-Step Instructions

STEP 1 Cut a 16 inch piece of the hot pink ribbon, a 15 inch piece of the light pink, a 14 inch piece of lemon, and a 13 inch piece of living coral.

STEP 2 Form a figure eight with each ribbon. Make each a little bigger than the first. Use the thread and needle to tack the ribbon in place to hold the shape.

STEP 3 Stack the figure eights, starting with the smallest and ending with the largest on top. Using the thread and needle, stitch the ribbons together and add a button to the center. Trim any loose thread ends.

STEP 4 Next, select a ribbon color and cut a length of ribbon long enough to wrap the headband. Wrap the ribbon around the headband. Secure the ends with the hot glue gun.

STEP 5 Attach the infinity ribbon piece to the headband using the glue gun.
