How to Make a Summer Pinwheel Hair Clip

YOU WILL NEED

- Offray Grosgrain Ribbon, 2-1/4 Inch Wide, Red and Light Navy
- Offray Grosgrain Ribbon, 3/8 Inch Wide, White
- Blumenthal Star Button
- Ruler or Measuring Tape
- Scissors
- Alligator Hair Clip
- Hot Glue Gun and Glue
- Blumenthal Shank Removers (Optional)

This Pinwheel Hair Clip is a great summertime accessory! Combine colors of Offray grosgrain ribbon and fun shaped buttons from Blumenthal to personalize your version of this hair clip.

Step-by-Step Instructions

- STEP 1** Cut 2-1/4 inch by 2-1/4 inch squares of the red and blue ribbon.
- STEP 2** Put one square on top of the other.
- STEP 3** Cut slits at each corner going in towards the center. Do not cut all the way in (cut should be about 3/4 inch).
- STEP 4** Bring every other corner to the center, gluing them down as you go.
- STEP 5** Glue the star button to the center of the pinwheel. If your button has a shank, remove it with the shank removers so you have a flat surface on the back of the button.
- STEP 6** Cut one piece of white ribbon long enough to wrap the hair clip. Apply glue to one end of the ribbon and glue to the underneath of the top side of the clip, with the clip open. Close the clip and apply glue to the top while pulling the ribbon over the end and press it onto the top of the clip. Continue gluing the ribbon to the pinching end of the clip.
- STEP 7** Glue the pinwheel onto the hair clip.
