

The World's Most Beautiful Ribbons™

How to Make a Decorative Bird's Nest

Add this little hanging bird's nest to your spring or Easter decorations. Create a few to hang from an indoor tree, a banister, or from your chandelier over your table.

Step-by-Step Instructions

STEP 1 Cut 3 pieces of the grosgrain ribbon to 14 inches in length.

STEP 2 Glue the 3 ribbon pieces to the bottom of the bird's nest. Space them evenly around the bottom so the nest hangs straight. Once the glue has cooled, hang the nest with the 3 pieces of ribbon in your hand. Line up the ribbon so the nest is level and glue the ribbon ends together.

STEP 3 Cut a 6 inch piece of the grosgrain ribbon. Fold it in half to create a loop and glue to the other pieces for hanging.

STEP 4 Cut a 12 inch piece of the satin ribbon. Thread the needle and tie a knot in the thread. Sew from one end to the other along one side of the ribbon. Pull the thread to bunch up the ribbon, creating a circle. Add a stitch to hold the circle together, then tie a knot in the thread to secure.

STEP 5 Glue the ribbon circle to the top of the grosgrain ribbon below the loop to hide the ends.

STEP 6 Glue one velvet yellow flower to the center of the circle.

STEP 7 Place decorative eggs in the bird's nest and hang.

YOU WILL NEED

- Offray Single Face Satin Ribbon, 7/8 Inch Wide, Light Pink
- Offray Grosgrain Ribbon, 3/8 Inch Wide, Antique White
- Offray Velvet Ribbon Flower with Pearl, Yellow
- Decorative Bird's Nest, 5 Inch
- Assorted Decorative Eggs
- Needle and Thread
- Ruler or Measuring Tape
- Scissors
- Hot Glue Gun and Glue
