

# How to Make A Black Crow Wreath

Get ready and festive for Halloween with this spooky wreath and edgy details.

## Step-by-Step Instructions

**STEP 1** Glue your florals to the top of the wreath, making sure they dangle downward.

**STEP 2** Create a puffy bow with the ribbon by folding over several layers, about 8" long. Wire the center tight and then open up the loops.

**STEP 3** Glue your crow to the bottom of the wreath.

**STEP 4** Glue on your bow to the top center. Add a wire loop to the back if you wish to hang.
