

# How to Make Spider Placemats

Make this quick and easy placemat perfect for the spooky holiday!

## Step-by-Step Instructions

### YOU WILL NEED

- Offray Black Single Face Satin Ribbon, 5/8", 5 Yards per placemat
- Glue gun
- White Foamcore
- Head Pins
- Scissors

**STEP 1** Cut four 24" pieces of ribbon. Cut eight pieces of ribbon for each size, 2", 3", 4 1/2", and 6".

**STEP 2** Cut a 15" x 15" piece of foamcore and draw straight lines from corner to corner and down both centers to start your web design. From the center about 1 1/2" going out, draw 8 connected web lines for a total of four sets. Begin pinning on your long strips. Right side down.

**STEP 3** Start pinning on your smallest web circle ribbons.

**STEP 4** Continue down pinning on your ribbons.

**STEP 5** Finish your last row.

**STEP 6** Begin lifting and gluing your ribbons in place.

**STEP 7** Turn web around and trim end.
