# How to Make Spooky Felt Garland

Make this quick and easy Halloween garland for railings, doorways, mantles and lampposts!

## Step-by-Step Instructions

**STEP 1** Trace and cut desired number of each spooky shape.

**STEP 2** Attach buttons as facial features using matching thread.

**STEP 3** Cut 2- 4" lengths of the ribbon for each flag. Trim each piece as shown.

**STEP 4** Position the shapes on the cord leaving space between shapes for the flags. Secure with glue. Make a ½" fold on the upper edge of the ribbon. Position ribbon fold over the cord and glue in place. Continue adding shapes and flags to desired length. Tie a small bow at either end.
