Preserve your memories from weddings, anniversaries and more, in this beautiful burlap covered scrapbook or photo album. Embellish the cover with ribbon, gems, twine and more for a personalized look you will love.

Step-by-Step Instructions

- STEP 1** Cut approximately 18" of the Gazette Ribbon. Using the needle and thread with a long tail, make a simple running stitch down one side of the ribbon.
- STEP 2** Gather the ribbon together with the thread and tie in the center to form the ribbon rosette.
- STEP 3** Create a second ribbon rosette using 12" of Double Faced Satin Ribbon.
- STEP 4** Glue the Double Faced Satin rosette onto the center of the Gazette rosette.
- STEP 5** Glue a gem to the center of the rosette flower.
- STEP 6** Wrap a 12" piece of Gazette Ribbon around the cover with the ends meeting centered on the front of the album. Glue ends to the album.
- STEP 7** Wrap a 12" piece of Lace Ribbon around the cover, again meeting centered on the front of the album. Glue ends to album.
- STEP 8** Glue the ribbon flower you created onto front of the album to cover the ends of the lace and ribbon.
- STEP 9** Slightly bend the ends of the silver leaves and glue them onto the album with the ends underneath the flower.
- STEP 10** Wrap twine around the chipboard heart twice and tie with a bow.
- STEP 11** Glue a small gem onto the center of the twine bow.
- STEP 12** Glue chipboard heart onto the front of the album.

Note: If you cannot find a burlap covered scrapbook, or prefer to cover your own, you can do so using Offray Burly Ribbon and fabric adhesive.
